

LUB5130 20V GREASE GUN
Quick. Convenient. Effective.

DURABLE AND EFFICIENT 20V GREASE GUN

Optional shoulder strap hook for additional flexibility and support

Electronic shutdown and high pressure LED indicator prevents grease spills and extends motor life

Ergonomic handle with comfort grip helps reduce vibration, fatigue, and enhances user comfort

Patent pending inline battery mount design offers greater portability and easier access

Rugged impact- and chemical-resistant housing protects against fluids, chemicals, and repeated drops

High-power, extended-life 20-volt lithium-ion battery compatible with all IQV20 Series cordless tools

Extended durability with a high-power, long-life motor and all-metal drivetrain

Easy 3-way load system for maximum versatility with cartridge, bulk, and manual loading

Standard 30" hose improves reach

PERFORMANCE

Get more done in less time with the unbeatable combination of operating pressure and flow rate that allows it to power through clogged fittings and deliver grease quickly to the application.

COMFORT

Work with greater comfort and less fatigue — lightweight 7.2-pound design, ergonomic handle with over-molded grip reduces vibration for extended use.

DURABILITY

Increase uptime and decrease maintenance — steel-reinforced metal gears, heavy-duty motor and robust housing protect against breakage in the harshest environments and withstand repeated drops and shop fluid damage.

Available in kit

Model	Description
LUB5130-K1	20V Grease Gun, Charger, 1 Li-ion (1.5 Ah) Battery & Case
