Includes 3" Wool, 3" Soft Foam, 3" Medium Foam Pads

# IQV20™ CORDLESS POLISHER/SANDER G4621

# SAY GOODBYE TO “HARD TO REACH”

Say goodbye to stall-outs, and say hello to power that lasts all shift long. The new IQV20™ Cordless Polisher/Sander comes equipped with a powerful brushless motor, compact form, and powerful battery platform that helps you tackle any task in record time. Plus, lightweight, ergonomic features designed with technicians in mind help keep operator fatigue at bay. So, whether you're sanding down sheet metal or giving a headlight one last polish, you'll be covered.
